

UPDATE ON SPECIAL ENTRY PROCEDURE FOR ARRIVALS TO ROK

1. Please be advised of an update on special entry procedure for travelers who are not subject to mandatory quarantine (travelers who have been fully vaccinated in Korea, travelers who are exempt from quarantine) as follows:
 - a. Travelers who are not subject to mandatory quarantine **do not have to** install self-quarantine safety protection app, undergo the verification of their contact number and be issued with health screening certificate.
 - * Travelers who are subject to mandatory quarantine (unvaccinated travelers, foreign nationals on short/long term stay) must observe existing special entry procedure requirement – e.g. installation of self-quarantine safety protection app.
 - b. The updated special entry procedure takes effect from **1 October 2021**.
2. Respective airlines are required to ensure that their staff guide incoming travelers to fill in the essential items (**address in Korea, contact number**) of the Travel Record Declaration form with **accurate information**.
